HOLIDAY SPECIAL

Exemplifying the true spirit of the Yuletide Season, Perry Como gathers with a church choir for the traditional "Ave Maria," recently issued by RCA Victor Records. Perry's flock of recorded successes, accorded him top honors as the Best Male Vocalist of 1949 in the Fourth Annual Music Poll of the Automatic Music Industry, recently sponsored and conducted by *The Cash Box*.

Greetings FROM WURLITZER

and the

WURLITZER DISTRIBUTOR ORGANIZATION

to the

MUSIC MERCHANTS OF THE WORLD

As 1949 draws to a close we of Wurlitzer extend to you our best wishes for a Very Merry Christmas and a Most Happy and Prosperous 1950. Wurlitzer Music Merchants can look forward to the future with confidence—can count on Wurlitzer to help make 1950 a great year. In 1950 and years to follow:

WURLITZER will continue to design phonographs that will lead the industry in eye appeal, play appeal and cost-saving features...

WURLITZER will provide up-to-the-minute models at reasonable intervals to bring to the phonograph industry newly developed engineering and tonal features...

WURLITZER will fairly price these phonographs so that they will continue to be outstanding values in the industry...

WURLITZER will maintain in its distributor organization men with experience and ability, and these men pledge to help you make the greatest success of your business...

WURLITZER will continue to promote to the public the best in music and to produce phonographs which will render this music at its finest.

With the Wurlitzer organization, distributors and operators, working hand in hand, we all may expect an ever increasing prosperity in the phonograph business.

THE CASH BOX exclusively covers the coin machine industry, including operators, jobbers, distributors and manufacturers, and all those allied to automatic coin operated music equipment; automatic coin operated vending machines and service machines as well as all coin operated amusement equipment; the music and record business, recording artists and pub-

lishers of music; and all others in any fashion identified or allied to the coin operated machine industry as well as all finance firms, banks and other financial institutions expressly interested in the financing of coin operated equipment of all types.

THE CASH BOX has been recognized by various associations of coin machine operators thruout the United States as their official weekly magazine.

"The Confidential Price Lists" gives prices of all new and used coin operated machines of all kinds, weekly reporting all market changes and continually adding on all new equipment. "The Confidential Price Lists" is officially recognized by many cities and states throughout the country as the "official price book of the coin machine industry." It is an integral part of The Cash Box. The "Confidential Price Lists" is used in settlement of estates, in buying, selling and trading of all coin operated equipment. It is the one and only officially recognized price guide in the coin machine industry. "The Confidential Price Lists" is used by finance firms, factors and bankers to guide them in making loans to the members of the coin machine industry.

Talking It Over

A well known Miami, Fla. operator reported, "Shuffleboards are, at long last, cementing the idea of 'front money.' Tho," he adds, "The Cash Box has been, for a long time, telling the nation's operators that front money and a more fair percentage commission basis was necessary for continued profitable operating, it took the shuffleboards to make this idea sink in strong."

By that he means that the average shuffleboard operator in Miami is obtaining \$20 per week front money. The next \$10 goes to the location owner. All over \$30 is then split on a 65%-35% basis. The operator getting the 65 per cent and the location the 35 percent.

The reason, this well known op claims, that 'front money' came into being with the shuffleboards . . . "is because the operators didn't want to get stuck with wood profits."

By that he means that when ops saw the size of the standard shuffleboard they realized that they would be in the "moving van" business.

Therefore, because of cost of the boards, as well as price of transportation, service costs, etc., decided that they would not operate shuffleboards unless forced into such operations.

The result being, he says, that when the locations phoned ops and demanded a shuffleboard, the ops, in turn, demanded that they get at least \$20 per week front money. The average op hoped that this would discourage the storekeeper. But, it did not.

Therefore Miami ops are getting along fine with the locations in their territory. Every op has arranged to obtain \$20 per week front money guarantee. In addition, because other ops have already done so, he has also worked out a better percentage commission basis, and is now assured of more rapidly amortizing the cost of his shuffleboard, as well as seeing clearer profits so much faster.

It takes time to make any good idea sink in. The shuffleboard ops in Miami and elsewhere have come to realize that under present conditions they cannot operate without some sort of guarantee.

The front money which they are obtaining is assurance that they will be able to more rapidly amortize their investment. Furthermore, with this front money continuing, and with the further fact that after \$30 in take they are obtaining 65% commission, they now have every opportunity of making their shuffleboard operations extremely profitable, if they will devote themselves to the task of exploiting and promoting the boards as they should.

At the same time the majority of the ops are signing location agreements which assures them the establishment for at least one year. Most of the operators agree that this will show them profit.

As the ops learn more and more about the profits which a more fair commission basis will earn for them, and also that front service money will assure quicker amortization of their investment, they have begun to think about all other new items which appear on the market in the same percentage light.

Shuffleboards have, therefore, proved of extremely great benefit to the field. They have been responsible for bringing about better business methods on the part of the nation's ops who have taken to these boards for more assured income.

"Just Folks"

Here is a romantic magazine.

One that has built a following on personalities.

And personalities, they tell me, is what count with people like you and me who are just "people".

Like you and me, these are the people who want their children to have everything "we didn't have".

Just plain people.

Just people. In fact, the "common run". The people who made this the greatest and finest country on earth.

The people who made a great nation zoom up out of a wilderness.

That's us.

We're the people.

And this romantic idea of a magazine that is strictly devoted to a certain trade, a certain people, this is the magazine that we bring you week after week—all year 'round.

This, my friends, is *The Cash Box*.

Captained by "people". People who know each other as "just folks". And that's the way we want it to be. Now, and for the years to come.

So, if you, too, are "just folks", "just people", we're with you—in fact, we're your kind.

Let's all of us kind of grip into this thing—this business of ours—this livelihood that we are getting from operating, jobbing, distributing and manufacturing coin operated equipment in all its classifications . . . as well as recording, manufacturing and selling juke box tunes and records.

We're just people, aren't we?

Aren't we the people who help the people?

Aren't we supplying entertainment and services and merchandising—automatically?

Aren't we sort of doing a job—in a way—for all

the people—to make things just a bit brighter and easier and happier for everyone concerned?

Well, we "just folks", here at *The Cash Box*, kind of want you "folks", out there, to feel that we, too, are like you.

That we are driving ahead for you. That we are trying with all might and main to make this, your business, a more solid business. A better business. A grander and more respected business.

That we "folks" are like you "folks", who also want "our children", just like "your children", to enjoy the things that "we folks" didn't have to enjoy.

Sort of carry on with us for we are for you. And want to help you and work with you. And cooperate and do things that you feel we should do—if you'll only tell us more often what you want us to do for you. So that we can all enjoy better times and grander fun and live and laugh and be prosperous and happy.

Why shouldn't we, in the coin machine industry, enjoy the things that others in other industries claim as "theirs"? Aren't they "people" just like we're "people"? Flesh and blood and sorrow and heart-ache? And, when you add it all up—just momentarily here?

So, as Xmas comes around and as the New Year sort of sticks its little, frozen, red nose 'round the corner—let's all of us, you and me and everyone, kind of remember—"we're just folks"—"just people"—just the kind of "friends" who are asking you to be friendly to us, and to like us, for we want to do what you want to do, and be good to you like you are good to us.

All of us "folks" here at *The Cash Box*—wish all of you "folks"—a very, very merry Xmas.

Record Reviews

"The Man I Love" (2:34)

"Bill Bailey" (2:47)

ROBERTA LEE
(Tempo 428)

● Certainly one of the most unusual recordings to come forth in a long time is this disk by Roberta Lee tagged "The Man I Love" and "Bill Bailey." Both sides are jazz standards, but the vocal this gal gives 'em makes the wax start right on out from scratch. Ring in the gal's pipes on the top deck rides throughout the platter, while her vocal pitch is toned down a bit on the flip. Wax has to be heard in order to be fully appreciated—and that is what we recommend.

"So This Is Love" (2:50)

"There's No One Here But Me" (2:55)

VAUGHN MONROE ORCH.
(RCA Victor 20-3606)

● Fresh wax by maestro Vaughn Monroe, with this coupling from the Disney flicker "Cinderella" on tap for music ops. Topside, titled "So This Is Love" is a slow moving ballad, with Vaughn and the Moon Maids purring the lilting lyric. Ditty echoes nicely, and should win its fair share of juke box coin play. The flip has Vaughn, the Moon Maids and the Moon Men on "There's No One Here But Me," a plush dreamy tune that might prove to be a sleeper. Wax definitely rates ops listening time—and more.

"What Fer Didja" (2:21)

"Fargo Fanny" (2:52)

DOROTHY SHAY
(Columbia 38651)

● Thrush Dorothy Shay offers music ops a pair of cute tunes in this coupling of "What Fer Didja" and "Fargo Fanny." Both songs have a down-home twang to it, with Dot's vocal work shining brightly. Music makes for excellent listening pleasure, and should be greeted by Miss Shay's many fans with fair reception. Ork backing on the pair by maestro George Wyle rounds out the platter effectively. Ops who have the room on their machines should lend an ear in this direction.

"Flaming Sand" (3:17)

"Sunday Isn't Sunday Anymore" (3:13)

HERB JEFFRIES
(Columbia 38652)

● Plush pair of sides by strong-voiced Herb Jeffries shows to excellent light on this bit of wax. Both sides receive brilliant musical interpretation by maestro Harry Zimmerman, who rates a great big bouquet for a scintillating performance. Top deck, tabbed "Flaming Sand" is a deep meaningful piece of material, with Herb's booming voice ringing true. The other side echoes just as brightly and is extremely pleasant listening. Add all the laurels you have to maestro Zimmerman for this beautiful bit of music. Wax looks good.

DISK OF THE WEEK

"Big Movie Show In The Sky" (2:41)

"Mr. Disk Jockey" (3:03)

BLUE BARRON ORCH.
(MGM 10549)

BLUE BARRON

● Certainly by far one of the most impressive pieces of music to come forth from the baton of maestro Blue Barron is this latest song titled "Big Movie Show In The Sky." Song is from the new musical production "Texas Lil' Darlin'," and as such should receive wide publicity. Ditty is a rousing

production number if there ever was one, with balladeer Bobby Beers and a vocal choir handling the lyrical expression of the tune in glowing manner. Lyrics of the song are especially wonderful, and have that extra taint of quality that makes you want to listen all the more. Rollicking choruses of shoutin' and hand-clappin', in addition to sincere, strong vocal work by Bobby makes this disk a winner. Melody of the song is tremendously haunting and lingers long after the first earful. On the other end with "Mr. Disk Jockey," Blue sends Bobby to the mike again to offer a ballad in the blues vein. Tempo is slow and infectious, and makes for excellent listening pleasure. Music ops and fans alike are in for a store of wonderful music, and some sensational coin play to boot, with the top deck, "Big Movie Show In The Sky." Ops should grab it!

"St. James Infirmary" (2:56)

"The Old Master Painter" (2:55)

PHIL HARRIS and ORCH.
(RCA Victor 20-3608)

● Phil Harris and his Dixie twang show loads of cause for some excitement on this pair. Top deck is a socko rendition of "St. James Infirmary," with Phil delivering the song in straight, strong tones that ring true. Sincere feeling in Phil's vocal pitch is reason enough for this side nabbing a spot in ops machines. The coupling is a current plug item which the song-star handles effectively. Both sides make for good listening.

"Saturday Night Fish Fry" (2:30)

"Not Tonight" (2:45)

PEARL BAILEY
(Columbia 38660)

● Thrush Pearl Bailey comes up with a pair of comely sides in this duo titled "Saturday Night Fish Fry" and "Not Tonight." Top deck has Pearl and Jackie Mabley turning in a fair rendition of this current pop item. Chatter between the vocal duo is bright and effective, and should do fairly well. The flip has Pearl solo on a slow moving cute side that should hold its own. Both sides are specialty material—ops who have the spots might listen in.

"Sorry" (3:03)

"Why Remind Me" (3:10)

FRANK SINATRA
(Columbia 38622)

● Frank Sinatra comes up with a pair of soothing ballads in this duo tagged "Sorry" and "Why Remind Me." Both sides show Frank in excellent vocal style, and should be greeted with enthusiasm by Frank's fans. Top deck is the subject of much current plugging, with the flip having enough potential behind it to term it a possible sleeper. Vocal flavor is added by The Modernaires, with Axel Stordahl lending top notch musical assistance.

"I'm In Love" (2:49)

"You'd Be So Nice To Come Home To" (2:15)

DICK HAYMES—EVELYN KNIGHT
(Decca 24808)

● Dick Haymes and Evelyn Knight team up on "I'm In Love" to offer ops a hot coin winner. Ditty is a light-hearted up tempo ballad that makes for wonderful listening pleasure from start to finish. Split vocal on the side is cute, added to some great music by maestro Jerry Gray in the background. On the other end with "You'd Be So Nice To Come Home To," Dick takes it solo and turns in an effective performance on this ever-lovin' standard. "I'm In Love" is the side to ride with.

"A Dream Is A Wish Your Heart Makes" (3:01)

"Bibbidi-Bobbidi-Boo" (2:50)

PERRY COMO
(RCA Victor 20-3607)

● Just try and stop this one! There's no question about this disk becoming a hot juke box item—it's made. Perry Como's rendition of "A Dream Is A Wish Your Heart Makes" and "Bibbidi-Bobbidi-Boo," both from the Disney "Cinderella" film, is a cinch to score with music fans and ops throughout the nation in no time at all. Both songs have been well recorded and should be known to ops. This excellent version by Perry adds proof to the balladeer's winning potential. Both sides are tailor made for the juke box trade—don't miss 'em by any means.

"Crocodile Tears" (2:36)

"Crime And Punishment" (2:21)

EVELYN KNIGHT—HOAGY CARMICHAEL
(Decca 24821)

● Some wax which music ops might use as a filler item is this bit by Evelyn Knight and Hoagy Carmichael. Both sides are offered in pseudo hill-billy novelty manner, and have the vocal pair turning in only fair work on the side. Vocal is incoherent throughout, with Perry Botkin's string band ork backing effectively. Wax is there for the asking—ops can take it from here.

"Happy Times" (2:52)

"Love Me Or Leave Me" (3:01)

DANNY KAYE
(Decca 24820)

● Top notch balled that is sure to be on top of the popularity lists in the very near future is this bit tagged "Happy Times," offered here by Danny Kaye. This rendition by Kaye is unusual for the versatile balladeer, in that he renders the song in straight ballad style. Fact that the songstar has an excellent voice is easily seen in this recording. The ditty itself weaves a pleasant aura of first rate musical pleasure—add to that Danny's soothing vocal strains and the Lee Gordon Singers, and ops have a hit. The flip is a straight rendition of "Love Me Or Leave Me," with Danny turning in another brilliant performance. Top deck for the moola!

"Open Door—Open Arms" (2:46)

"The Blossoms On The Bough" (3:02)

ANDREWS SISTERS
(Decca 24822)

● Continuing their streak of hot platters, The Andrews Sisters come up with another bright bit of wax in this piece titled "Open Door-Open Arms" and "The Blossoms On The Bough." Both sides are in the sentimental vein, and show the gal group at their vocal best. Add to the splendor of the Andrews gals, the Lee Gordon Singers and maestro Vic Schoen's music, and ops have a disk that can go. Both ends should reap harvest for ops.

BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

"Auld Lang Syne" (2:43)

"This Perfect Day" (2:15)

VERA LYNN
(London 535)

● Vera Lynn on deck again, with "Auld Lang Syne" and "This Perfect Day" headed ops way. Top deck is the standard seasonal item which Vera takes off on in slow enchanting style. The flip is a tender wax message which might do well on the machines. Ork backing on the pair by the Bob Farnon gang rounds out the platter effectively. Ops in the market for a fairly decent filler might get this one.

"Tell Me Lies" (3:10)

"Ghost Town" (2:25)

REGGIE GOFF
(London 543)

● Balladeer Reggie Goff pitches his pipes on this strong moving ballad, and comes up with a side that might well turn out to be a sleeper. Tagged "Tell Me Lies," the song weaves a soothing wax story that makes for grade A musical pleasure. Vocal flavor by the harmony of the Velvetones adds luster and polish to an already glowing piece of music. On the other end with "Ghost Town," Reggie turns in an effective performance on a tune that is easy on the ears. Side to ride with "Tell Me Lies."

"Fiddle Faddle" (2:44)

"Avalon" (2:40)

JOE PETRAK
(Swingmaster 1002)

● The accordion wizardry of Joe Petrak is displayed in excellent manner on this coupling titled "Fiddle Faddle" and "Avalon." Both tunes are well known standards that have long won wide favor. This novel rendition, with Joe turning in a top notch bit of work on accordion should hold its own in the boxes. Platter is especially suited to the tavern trade. Ops who have the locations should listen in.

"Too-Whit-Too-Whoo!" (3:15)

"It's The Little Things" (3:03)

VERA LYNN
(London 581)

● Vera Lynn on deck with a pair of smooth ballads, and the echo of "Too-Whit-Too-Whoo!" and "It's The Little Things" in the offing for music ops. Top deck is a current plug ballad which Vera handles effectively. It's slow, soothing music which should satisfy the moon-in-Juners. The flip echoes the sentiments of the title throughout. Ops who have the room might take a look-see.

SLEEPER OF THE WEEK

"Daddy's Little Girl" (2:50)

"Who'll Be The Next One" (2:54)

DICK TODD—EDDIE MILLER ORCH.
(Rainbow 80088)

DICK TODD

● The noise this disk will make is a cinch to reverberate clear across the nation! A socko juke box number if there ever was one—that's the story with this recording tagged "Daddy's Little Girl" and "Who'll Be The Next One." Vocal work on the tune, a slow moving tender bit of music

by Dick Todd is strong and sincere throughout, with the Eddie Miller ork lending first rate musical assistance. Ditty is tailor made for the tavern trade, and should have music fans weeping in their beer everytime they play this waxing. It's heart-warming sentimental stuff, the kind that music fans never get tired of hearing. The song itself has already started to catch on in many a location—once it get's around, it'll surely go over in a big way. Choral effect on the side adds to the glamour of an already glowing disk. On the other end with "Who'll Be The Next One," Dick the choir and the Eddie Miller crew come back once again and turn in another great tune that should do well on the boxes. It's the top deck they'll yell for though—ops should grab it by the boxful!

"Everything Depends On You" (2:50)

"All Too Soon" (2:55)

MILDRED BAILEY
(Decca 25462)

● Thrush Mildred Bailey displays her gilded tonsils on a pair that make for soothing listening pleasure. Titled "Ev'rything Depends On You" and "All Too Soon," Mildred easily shows why she retains her top popularity, by delivering some great work on the sides. Both tunes weave in medium slow tempo and are in the ballad vein. Light ork backing, in addition to the purring of the Delta Rhythm Boys, on the top deck, all add to the splendor of the music. Platter should do more than hold its own.

"I Love Her Oh-Oh-Oh" (2:40)

"If I Had A Thousand Lives To Live" (2:47)

ENOCH LIGHT ORCH.
(Lincoln 514)

● Cute song that seems to be certain to nab an avalanche of juke box silver is this tasty dish of music titled "I Love Her, Oh-Oh-Oh" and "If I Had A Thousand Lives To Live," by the Enoch Light ork. Enoch, long missing from the juke box spotlight, will surely bounce back again via this disk. It's the top deck that looks good. Ditty is a mellow up-tempo cute ballad, offered with loads of fresh melody. Chorus vocal, mixed with a corn band tempo makes the side glow immensely. The coupling appears to be just as good, and has Enoch switching tempo to an easy flowing waltz that makes for pleasant listening. Topside is the winner—ops should latch on—but pronto!

"Some Hearts Sing" (3:04)

"I Thought I Was Dreaming" (2:59)

DICK JAMES
(London 544)

● Pair of fair enough sides by balladeer Dick James, and the set up of "Some Hearts Sing" and "I Thought I Was Dreaming" in the offing for music ops. Top deck is a strong sentimental ballad, with Dick's strong voice handling the glowing lyrics effectively. Vocal allure is added by the George Mitchell choir. The flip is another dreamy item which should satisfy the kids who love to cuddle close. Wax won't stop traffic—it will hold its own.

"Just A Little Rocking Chair And You" (2:50)

"Dancer At The Fair" (2:47)

TED HERBERT ORCH.
(London 560)

● The Ted Herbert ork come up with a mellow piece of music in this item titled "Just A Little Rocking Chair And You." Ditty is a lightly styled romance ballad, with the tempo skipping along at a bright pace. Vocal refrain by Don Grady and Jean Flanders is smooth and effective throughout the entire recording. On the other end with an instrumental number, the Herbert gang run thru "Dancer At The Fair," and display their musical wares in fair fashion. Top deck is the side to ride with.

"Johnson Rag" (2:42)

"Latin Magic" (3:12)

GLEN MOORE and THE MOORE MEN
(MGM 10589)

● New combo MGM wax steps out with "Johnson Rag" and "Latin Magic," and offers ops some fair wax. Top deck is the oldie that is currently booming in the popularity spotlight. Ditty is offered in novel manner, with a cute vocal chirp Lynne Richards and a tap dance solo by Kathy Moore. The flip is a Latin styled tune, with Lynne in the vocal spot once again. Song has a compelling nature about it, and makes the thrush shine brightly. Both sides are there for the asking—ops take it from here.

"Mama" (2:51)

"Comme Bella A Stagione" (2:49)

PHIL BRITO
(MGM 10591)

● Pair of old sides that scored like mad on Muscraft wax are reissued here by MGM, and still have that brightness about them that made them hits originally. Titled "Mama" and "Comme Bella A Stagione," with Phil Brito in the vocal spot, the sides themselves should be well remembered by music ops. Both tunes are handed to vocal perfection by Phil, with the Walter Gross ork rendering excellent musical accompaniment to match. Wax is a natural for the boxes.

"There's A Lovely Lake In Loveland" (2:49)

"Home Town Band" (2:40)

ART MOONEY ORCH.
(MGM 10588)

● Pair of sides that have the taint of coin play about them are these set up by the Art Mooney ork titled "There's A Lovely Lake In Loveland" and "Home Town Band." Top deck, with the choir handling the vocal work, is an easy flowing waltz that is easy on the ears. Tune has a melodic lilt to it that should satisfy Art's many fans. The flip is just what the title indicates, a rollicking piece of music, with Johnny Martin and the choir turning in a neat vocal. Both sides should do well in the boxes.

"The Lord's Prayer" (2:43)

"Sometimes I Feel Like A Motherless Child" (2:50)

SARAH VAUGHAN
(MGM 10592)

● More wax from the old Muscraft files, with Sarah Vaughan chirping her way thru an aura of beauty on "The Lord's Prayer" and "Sometimes I Feel Like A Motherless Child." Music ops will remember how well this disk scored on the phonos not so long ago—it still has that same gilded quality. Sarah's pipes never sounded better—that's how great this pair is. Both sides should catch loads of coin—especially so during the Yuletide season.

THANK you, operators . . .
for selecting us as your
"BEST ORCHESTRA OF 1949."
The tremendous play
you've given our records

RCA VICTOR RECORDS

ROUND THE WAX CIRCLE

NEW YORK:

Elliot Lawrence, pianist-bandleader, who as a child had infantile paralysis, has been named 1950's Chairman of the Bandleaders' Division of the March of Dimes campaign by Basil O'Connor, President of the National Foundation of Infantile Paralysis. Lawrence, who helped rehabilitate his paralyzed fingers as a youth by piano exercises, is 24 years old, the youngest person ever to serve as a March of Dimes chairman . . . Glad to hear that Bill Williams, truly one of the country's best disk-jockey's is back on the air again. Bill's new show comes out of WVNJ, Newark, N. J. . . . Vaughn Monroe so pleased with the results of his first major flight into celluloid in "Singin' Guns," that he says he'll make at least two films a year from now on. His fans don't have to worry though, for Vaughn has no intention of slighting his band dates. The way he's been packing 'em in on personal appearances really is wonderful . . . RCA Victor threw a cocktail party this past week, hosting Perry Como and Eddy Arnold at the RCA Victor Exhibition Hall, and in addition, previewed the sensational Walt Disney new technicolor film "Cinderella." It was one of the rare occasions in the Como career, in which he met the trade press and disk jockey's en masse. It's still a tossup as to which of the four reasons brought out the huge turnout—Como, Arnold, "Cinderella" or the drinks. Other RCA Victor artists on hand for the festivities were Mindy Carson and Fran Warren. Major General David Sarnoff made one of his rare appearances, along with a host of plattery officials from Camden . . . Tommy Sosebee going great guns on his tour thru the South, with much of the popularity due to the success of his "I Thought I'd Die" on Coral . . . Nicholas R. Carrano, prexy of Admiral Records, may now be addressed as "Admiral" Carrano. He was just appointed by Gov. Val Peterson of Nebraska, "Admiral in the Great State Of Nebraska". Carrano is personal manager of balladeer Bobby Colt . . . A big round of plaudits to Buddy Basch for his sockeroo promotion via Tootsie Rolls on Tony Martin's, "Toot, Toot, Tootsie" . . .

CHICAGO:

Eddy Howard on a record smashing tour . . . breaks all records at the Castle Farms, Cincinnati, O. (even the late Glenn Miller's attendances) and then on to the Deshler-Wallich Hotel, Columbus, where he smashed even more the attendance marks proving, once again, that his sweet voice and great ork is among the nation's very best . . . Benny Strong, just in from a string of one-niters, drops into our offices to say "hello" and advises that, after s'more of the same, he opens at the Schroeder, Milwaukee, Dec. 20 for a two week stay . . . Lola Ameche, vivacious chirp, joins Jerry Glidens' ork when he returns to the Glass Hat Jan. 5 . . . Nat "King" Cole into the Chicago Theatre Dec. 9 for a two week stay . . . Ethel Smith, "Queen Of The Organ" appearing nitely at the Mayfair Room of the Blackstone has the columnists ga-ga over her twinkling fingering . . . One kid slated for bigtime recordings, Bob Deu, now at the Oriental . . . Helen Hansen at the Lotus Room of the LaSalle ready for attention from the better spots . . . DeeJay Howard Miller returns to WIND with a new show . . . featuring phone conversation 'round the nation with leading music personalities . . . Note how race record distribus push payola over the air to get disks moving . . . Georgie Olsen opens at his favorite spot, Edgewater Beach, Friday, Dec. 16 . . . assured full house from music people . . . Billy Rogers, Bonnie Baker, Benny Strong, and others, giving of their time to entertain disabled vets at Vaughn General Hospital this past week, Mon. nite, Dec. 12 . . . Honeydreamers' first release on Bluebird label will be "I'll Never Slip Around Again" . . . a hottie . . . Bill Walker, relief band at the famed Pump Room, wrote the music for "Half A Heart" with lyrics by Al Morgan and Tubby Rieves, just in case you didn't know.

EDDY HOWARD

LOS ANGELES:

The best yet, that's all we can say about the latest Leuenhagen's Record Party for Jukebox Operators on December 8 in Rodger Young Auditorium. . . . Not that the free beer, java and popcorn were any freer . . . or the entertainment especially better than ever before . . . but there's nothing like a little spinach to dress up a party . . . This time Mary Solle, Bill L. and staff went all out in rigging up the room with spotlights, flowers and that ol' party spirit generally . . . The result was that a full house of ops, families, friends and folks around the disc business enjoyed to the utmost the personal appearance of such top artists as Margaret Whiting of Capitol, Tempo's Ben Light, T. Texas Tyler of Four Star, King's Hank Penny (whose own wing-ding will be held Dec. 15 at Riverside Rancho), Superb's Artie Wayne, who has a really terrific thing in "Black Lace," and an exciting new vocal discovery named Joyce Bryant, whose "Drunk in Love" is on the London label and whose professional destiny is in the able hands of Berle Adams . . . Maggie Whiting, who came complete with Buddy Pepper, Capitol rep Voyle Gilmore and a friend of ours name of Bob Wachsmann, turned out to be the very swell gal she is, giving the gang "Slippin' Around," "Might As Well Be Spring" and a million dollars worth of that great, unaffected Whiting personality . . . Another real crowd-pleaser is Hank Penny, whose rendition of "Don't Roll Those Bloodshot Eyes At Me" is topped only by his own warmth and likeableness . . . In the western department, it's hard to outdo that great showman, T. Texas Tyler, whose new version of "My Bucket's Got a Hole in It" was a big hit with the audience . . . Ben Light, of course, wowed the folks with his lightenin' antics at the ivories and the only way to describe this new Miss Bryant is a combination of Lena Horne and Billie Holiday.

Jo Stafford Honored By Philly Dee-Jays

NEW YORK — Singing star Jo Stafford, who was elected by the Philadelphia Disc-Jockeys Association as the most cooperative and best-liked recording artist of 1949, is shown receiving a plaque symbolic of her award from a delegation of the Quaker City platter-spinners, who trekked to New York to make the presentation to their favorite gal during Jo's recent engagement at the Paramount Theater. They also made her honorary president of their organization. Shown here, left to right, are Oscar Treadwell of WKDN, Eddie Newman of WPEN, Stuart Wayne of KYW and Joe McCauley of WIP.

RCA Victor Signs The Honey Dreamers

NEW YORK — The Honey Dreamers, versatile young vocal group, whose dramatized singing productions have been a feature of Dave Garroway's famous network television program and the sensation of New York and Chicago supper club revues, have been signed to an exclusive RCA Victor Bluebird recording contract, Joe Csida, Manager of Popular Artists and Repertoire, has announced.

The Honey Dreamers' initial Bluebird disc, "Six Times a Week and Twice on Sundays" and "I'll Never Slip Around Again," is scheduled for December shipment on the fourth Bluebird release in RCA Victor's recently re-activated series, which also includes discs by the sensational new bandleader Ralph Flanagan, Disney "Cinderella" star Ilene Woods, Eddie Fisher, the Eddie Cantor singing discovery, and country balladeer Jesse Rogers.

A quintet comprised of two girls and three boys, all of which left the campus of St. Olaf College only three years ago, the Honey Dreamers now have over a thousand ABC network shows and 65 weeks in supper clubs and stage work under their belts. Working with their producer, Sherman Marks, they have developed a proficiency for staging, comedy, movement and versatility hitherto unknown for strictly vocal organizations. Currently appearing in "Salute to Cole Porter," an elaborate night club revue at the Hotel New Yorker, they have been enthusiastically acclaimed by Manhattan's night club critics as an unusually talented new entertainment group.

"Howdy Doody" On RCA Platters

NEW YORK—"Howdy Doody and the Air-O-Doodle", a new children's album based on the popular NBC television show, "Howdy Doody", and featuring Bob Smith, creator of the character and voice of Howdy Doody on television, is now available in RCA Victor's "Little Nipper" series of kiddies' discs.

Packaged as a 78 rpm Showpiece and also as a 45 rpm Storybook Showpiece, the album tells the story of a trip Howdy Doody takes with some friends in an amazing vehicle, the "Air-O-Doodle", which is partly car, partly train, and partly ship and plane.

Interest In Each Others Business. MOA Convention Will Bring
About Greatest Harmony Between Both Groups.**By **GEORGE A. MILLER**
National President, MOA

The end of the year generally bears some significance for a majority of those of us engaged in industry. This holds true, possibly more so with the automatic music field of endeavor, than with most businesses. This is the time of year when music operators make a recapitulation of events that

have effected the operation of their business throughout the year just passed. Equipment is checked over, new machines are put out on location, old ones remodeled, staple record stock checked, and possibly other insignificant details that have a bearing on their business are hashed over.

That the music machine operating industry has progressed with relation to the recording industry is easily seen in the record sales statements brought out by phonograph record manufacturers at this time of the year. Members of the trade are well acquainted with the figures concerning the total percentage of records purchased by music operators. It is estimated that total sales of records in 1949 will have passed 250,000,000; of which the automatic music operating industry will have contributed a potential sales figure of 40,000,000 records.

Music operators and phonograph record manufacturers have a basic and solid interest in each others business. Both, when it comes down to the boiling point, are interested in ways and means of increasing the productivity of their respective enterprises. That the record industry is vitally interested in promoting better business relations with the nations music operators is further brought to light by recent statements of the disk manufacturers themselves. Capitol Records, for one, is scheduled to make a drive for increased sales among music operators. The record company

has made plans to issue a special monthly newsletter slanted toward the operator, giving them information vital to the operation of their business.

To further strengthen the ties between the music operator and the record manufacturer, it is of prime importance for the latter group to be aware of rapidly changing conditions within their own distributor organizations. The practice of allowing a bulk initial shipment of records to go to one distributor, thus causing a shortage of records on the market in a given territory, and forcing the operator to buy records at a price higher than the established wholesale price, certainly does not make for goodwill with the music operating industry. Record manufacturers will point out that they are thus gaining "unforeseen" sales; they are also gaining "unforeseen" ill-will with the music op that has to pay 5c more per record.

It is known that certain sparsely populated territories have little or no distribution means, thus forcing the operator to add to his overhead expenses by traveling great distances to purchase records. This situation also brings on "tie-in" sales, a practice that has greatly been reduced,

but which nevertheless exists.

The forthcoming Music Operators of America Convention, (MOA), to be held on March 6, 7 and 8 at the Palmer House, Chicago, will play host to the nations music operators and record manufacturers. MOA is an organization of music operators and member associations devoted only to the interests of the nations music operators. Phonograph record manufacturers have been invited to attend, and will attend the convention and meetings, at which problems of mutual interest will be discussed. It is the plan of MOA to have open forum meetings, attended by the music operators and record executives, at which time both factions can present their own views and outlook for the industry. Certainly both the music operator and record manufacturer will want to discuss such problems as the "speed" situation; of vital importance to both groups.

As President of the Music Operators of America, and in behalf of all trade associations and independent operators, I can assuredly say that the forthcoming MOA Convention will bring about the closest type of harmony between the record manufacturer and the music operator."

MGM Looks To New Barron—Mooney Disks As Top Hits

NEW YORK—Officials of M-G-M Records announced in New York last week that the first tradition of their three-year old company seems to have come into existence.

Each December since it started operations in 1947, the company, a division of Loew's Incorporated and a sister-company of M-G-M Pictures, has released a record during the month of December which has attained the status of a run-away hit. In 1947, the lucky December release was "Four Leaf Clover" by Art Mooney, which made sales history and started the still-current banjo-band fad. In December of 1948, M-G-M struck it rich again by releasing Blue Barron's recording of "Cruising Down The River," which became one of 1949's top-selling single records.

With this situation in mind and with an eye to establishing a trade tradition, M-G-M prepared with special care not only one, but two records for inclusion in releases during the last half of December 1949: Blue Barron's recording of "Big Movie Show In The Sky" and Art Mooney's "Lovely Lake In Loveland," both novelties. The two records have already drawn an unusual amount of favorable pre-release reaction in music trade circles, and M-G-M officials feel that either or both will make record history again.

Barron's recording of "Big Movie Show In The Sky" is the subject of an intense promotion campaign at present, and is one of the featured songs from the new Broadway musical production "Texas Li'l Darlin'."

**"WILL PRODUCE THE MONEY-
 MAKING RECORDS FOR OPERATORS"**

By Sydney N. Goldberg
 Vice-Pres. & Gen'l Sales Mgr.
 Decca Distributing Corp.

NEW YORK—Decca has always recognized the tremendous portion that the operators represent of the total records sold in the record industry. We have always felt that the phonograph operator was, for all intents and purposes, a merchandiser of entertainment to the public through the medium of records.

Decca has always tried to give the operator the kind of entertainment on its records that would bring them the maximum returns when played on the phonographs. In line with this policy, we will continue to give you great interpretations by top artists. In the final analysis the cheapest record that an operator can buy is the one that has the entertainment in the groove.

Decca now has branches and dis-

tributors in fifty-two key cities in the United States. This increased distribution has enabled us to give much better service to our customers than ever before in our history. We fully intend to produce the money-making records for the operators and to strengthen our distributing organization to give the best service in the country.

We at Decca are very optimistic for the coming year. We intend to intensify our activities in every field of recorded entertainment. I am confident that our friends, the phonograph operators, will prosper with us in this coming year.

Decca looks forward to 1950 for continuing their pleasant relationship with the music operators.

Carrano Named Admiral

NEW YORK—Nicholas R. Carrano, president of Admiral Records, Inc., has been officially commissioned an Admiral by Governor Val Peterson of the State of Nebraska. The commission is in the Great Navy of the State of Nebraska and is in recognition of Mr. Carrano's efforts to find a suitable song about Nebraska which his company intends to record as soon as possible.

Any writer having a song about Nebraska is invited to send it to Admiral Nicholas R. Carrano, Admiral Records, Inc., 701 Seventh Avenue. The song would also be published by Admiral Music, Inc. Incidentally, the tune needn't be nautical but it should be nice.

"Mama And Daddy Broke My Heart" (2:53)

"Take Me In Your Arms And Hold Me" (2:55)

EDDY ARNOLD
(RCA Victor 21-0146)

EDDY ARNOLD

● You can always count on Eddy Arnold to come up with a platter that'll ring the bell. This one will do more—it'll cause a landslide of silver right to every hillbilly spot in the nation. It's Eddy's latest,

and a sure-fire winner it is. Disk, titled "Mama and Daddy Broke My Heart" and "Take Me In Your Arms And Hold Me" is tailor made for the juke box trade. Eddy's vocal intonation on the top deck is avid proof of the folk star's widespread popularity. The song itself is a natural, and is currently starting to catch on and go in many a location. Lyrics of the tune ring true, as does the instrumental backing. On the other end with "Take Me In Your Arms & Hold Me," Eddy once again comes thru for ops with another hot biscuit. Lyrics of the song weave about the title in mellow patter, with Eddy's vocal notching a big hunk of limelight. The platter is strictly gravy for music ops—grab it!

"I'll Sail My Ship Alone" (2:51)
"Moon's Tune" (2:56)

MOON MULLICAN
(King 830)

● Pair of sides that are sure to be featured right up on top in the phonos in the very near future are these by Moon Mullican. Always a consistent money maker for music ops, Moon comes thru once again with "I'll Sail My Ship Alone" and "Moon's Tune." Top deck is just what the title indicates, a tempting bit of hillbilly music with Moon shining brightly. The flip is a cute side that should do more than hold its own in the boxes. Ops should get with this one—especially so with the top deck, "I'll Sail My Ship Alone."

"You Can't Divorce A Loving Heart" (2:45)

"Baby Darling" (2:51)

REDD STEWART
(King 827)

● Some wax which music ops may use to excellent advantage are these items by Redd Stewart and the Kentucky Colonels. Wax, tabbed "You Can't Divorce A Loving Heart" and "Baby Darling," makes for fairly pleasant listening. Lyrics of the tunes weave around the title, with Redd and the boys turning in effective vocal and instrumental work. Ops who have the spots might get with this duo.

"Time Clock Of Life" (2:44)

"Red Rocking Chair" (2:57)

CHARLIE MONROE
(RCA Victor 21-0145)

● Charlie Monroe and his Kentucky Pardners turn in a pair of pleasing sides in this pair titled "Time Clock Of Life" and "Red Rocking Chair." Both sides are easy listening, and should serve ops as potent coin cullers. The wide popularity of Charlie and his group, should be cause enough for ops climbing aboard this platter. Wax has to be heard in order to be fully appreciated—and that is just what we recommend.

"Don't Let Someone Else Take My Place" (2:32)

"There's Ain't No Use To Cry" (2:18)

TOMMY FAILE
(Capitol 57-40266)

● New artist on Capitol wax bows into the spotlight with this pair titled "Don't Let Someone Else Take My Place" and "There Ain't No Use To Cry." The vocal work of Tommy Faile on this coupling should establish him as a top contender for juke box honors. Tommy handles the lamenting refrain of the tunes in clear vocal manner, with the lyrics of the songs ringing true throughout. Both sides should do fairly well in the boxes. Ops should listen in—but pronto!

"If I Could Buy Your Love" (2:51)
"Please Don't Ever Forget Me" (2:54)

TEXAS BILL
(4 Star 1334)

● Wax music ops can use as filler material is offered here by Texas Bill. Both sides make for effective listening, and altho they won't stop traffic by any means, they should earn their keep. Titled "If I Could Buy Your Love" and "Please Don't Ever Forget Me," the music echoes as a pair of plaintive laments, with Texas Bill's pipes purring smoothly throughout. Music ops who have the room in their machines might get with this pair.

"Why In Heaven's Name" (2:54)

"Ring On Your Finger" (2:46)

GEORGE MORGAN
(Columbia 20655)

● Fresh wax by George Morgan, and the set up of "Why In Heaven's Name" and "Ring On Your Finger" in the offing for music ops. Both sides show George at his vocal best, with the top deck leading the way. Ditty is a cute bit of folk music that should satisfy the tremendous flock of George's fans. The flip parrots the top deck in quality, and finds George turning in another sensational performance. Disk rates a top spot in the boxes.

"Watch The Birdie, Nick"—

Sammy Kaye's RCA Victor recording of "Careless Kisses" received the typical Dave Alber promotion when model Lucille Tighe made the rounds of disc jockeys and newspapers last week. Nick Kenny and brother Charlie were taken by surprise when the model dropped into their Mirror office planting a kiss on Nick's cheek and presenting him with the record and a bag of Hershey kisses.

Alan Kayes Promoted To New Post At RCA

CAMDEN, N. J. — Alan Kayes, former publicity manager of the RCA Victor Record Department, has been appointed to a newly created position as Commercial Manager of Red Seal Records, it was announced today by Samuel Chotzinoff, Manager of the Red Seal Artist and Repertoire Division.

Representing a coordinated effort to strengthen RCA Victor's leadership in the classical record field, Mr. Kayes' appointment is designed to bring close liaison between the Artists and Repertoire Division, and the Sales, Merchandise, Advertising, Recording, and Manufacturing Divisions

in the development of Red Seal Products and in improvements in existing products from a commercial standpoint. In his new position, he will coordinate all Red Seal activities within these Divisions of the Record Department.

A graduate of Penn State College, Mr. Kayes has been identified since 1933 with commercial publicity and public relations in the music field. He joined RCA Victor in June, 1946, as publicity manager for the Record Department, after three and a half years' Army service as a combat correspondent and Public Relations Officer.

"Frightened" (2:40)

"The Moon Is Risin'" (2:47)

LITTLE WILLIE LITTLEFIELD

(Modern 20-726)

LITTLE WILLIE LITTLEFIELD

● Here's one that'll make 'em sit up and take notice! It's Little Willie Littlefield, fresh with the success his "Farewell" has scored coming up with another great pair of sides in this duo titled "Frightened" and "The Moon Is Risin'."

Little Willie's vocal on this pair is nothing less than sensational. It's the top deck we're ga-ga about. Ditty is one of the greatest blues tunes we've heard in many a moon. It's a slow rolling blues number that makes you shake and rock as the melody seeps thru the wax. Tempo is ultra slow, with Willie purring the toned-down lyrics in first rate vocal manner. On the other end, Willie comes up with another top-notch performance in "The Moon Is Risin'." Tempo on this side echoes the top deck, and drifts in the slow blues vein too. Lyrics of the song weave about the title, and find Willie in excellent form. Piano tinkling adds to the low-down blues style effectively. Both ends of the platter are sizzling hot—with "Frightened" leading the way. Ops can safely order this one by the arm full!

"Nervy Woman Blues" (2:59)

"My Special Friend Blues" (2:45)

BABY BOY WARREN

(Staff 706)

● Pair of sides which music ops can use to good advantage are these rendered by Baby Boy Warren. Wax, titled "Nervy Woman Blues" and "My Special Friend Blues" make for fairly pleasant listening, with Warren showing his pipes effectively. Wax won't stop traffic in the boxes, but it should hold its own. Top deck is the better of the two. Ops who have the spots might listen in.

"It's You Just You" (2:44)

"I Quit My Pretty Mama" (2:51)

IVORY JOE HUNTER

(King 4326)

● Pair of sides by Ivory Joe Hunter, and the set-up of "It's You Just You" and "I Quit My Pretty Mama" headed music ops way, with the refrain of this biscuit spelling coin play all the way. Music ops need no urging when it comes to an Ivory Joe Hunter platter—especially so when it has the stuff this one has. Both ends show Joe's fine style in high light, and should sit well with his many fans. Disk is the sort that consistently draws loads of juke box play. Ops should get it.

"I'm Just A Fool" (2:47)

"Paw's In The Kitchen" (2:51)

THE JAMES QUINTET

(Derby 726)

● Top notch vocal harmony of this group makes this pair hot contenders for juke box honors. It's the James Quintet, turning in a scintillating bit of vocal work on "I'm Just A Fool" and "Paw's In The Kitchen." There are no A or B sides to this pair—both spell coin play from the word go. Top deck has the group doing a moderately tempo'd bit, with the refrain echoing splendidly. Flip has a bit of the novelty in it, and makes for easier listening pleasure. Disk is a hot one—ops should get it.

"New Orleans Woman Blues" (2:40)

"Baby Lovin' Blues" (2:50)

JAMES LOCKS

(Regal 3239)

● Hot on the heels of his success with "Blazer Boy Blues," James Locks comes up with two more potential top notchers in this coupling of "New Orleans Woman Blues" and "Baby Lovin' Blues." Both sides are just what the title indicates, some mellow blues wax that makes you wanna listen. Jimmy's rendition of this duo is first rate all the way, and should be cause enough to nab a top spot in music ops machines.

"I Never Get Tired Of Doin' It" (2:45)

"Draggin' My Heart Around" (2:35)

TINY DAVIS ORCH.

(Decca 48122)

● New chirp on Decca wax offers a pair that might turn out to be hot coin cullers. It's Tiny Davis and her all gal group, knocking out the melody to "I Never Get Tired Of Doin' It" and "Draggin' My Heart Around." Top deck has the fem maestro in the vocal spot, wailing a cute story weaving around the title. The flip echoes brightly too, altho the tempo is slowed down a bit. Both sides show the combo in effective manner. Platter should do more than hold its own in the machines.

"Credit Blues" (2:41)

"Going Away" (2:43)

JIMMY PRESTON

(Gotham 206)

● Some wax by Jimmy Preston and the gang, and the set up of "Credit Blues" and "Going Away" in the offing for music operators. Both sides are easy to take, and make for fairly pleasant listening time. Jimmy's rendition of the top deck is styled to easy manner, and makes you perk up and pay avid attention. The flip echoes just as well, and should be greeted warmly by music fans and ops alike. Ops should climb aboard.

See Possibility Of Autry's "Reindeer" Hitting 2 Million Mark

NEW YORK—Trade circles foresaw the possibility of Gene Autry's Columbia recording of "Rudolph, The Red Nosed Reindeer" hitting the 2,000,000 mark in sales this past week.

Columbia revealed that they had shipped more than 1,000,000 records as of last week. With still another week of Xmas sales to go, and the few weeks that generally tag along on a peak Xmas tune, the disk figures to clip the two million mark.

Columbia Record's official expressed confidence that Autry's "Reindeer" would attain this sensational sales figure, and pointed out, that in the event the Autry platter does go that high, it will have been the first initial disk to have done so in many years. There are only a handful of songs that have spiraled into the neighborhood of the two million mark, among them, Vaughn Monroe's "Ballerina" and the Harmonicats "Peg Of My Heart."

Autry's record sells at two different price levels, one in the popular bracket at 79c and the other at \$1.19 in the children's field. Columbia revealed that the sale of the platter started fairly limited, and then took off as no other disk has in Columbia's history. It was reported that the platter had shipped totals of 40,000, 60,000 and 80,000 on individual days, only to be topped by a solid smash day of 136,000 one day last week.

D.C. Music Ops Push "Timbales" For Allen

WASHINGTON, D. C.—Hirsh de La Vez, President of the Washington Music Guild, this past week issued a call to members of the music operators association to get behind the Freddy Martin-RCA Victor recording of "Timbales" in an effort to boost the royalty figure, the proceeds of which are going to Barclay Allen, injured months ago in an automobile accident.

Allen, who penned "Timbales," suffered a spinal injury that has almost paralyzed him completely. Members of the music and record industry have climbed aboard the Allen bandwagon, and are donating royalties and the like in an effort to aid Allen. Maestro Freddy Martin, RCA Victor and others have passed up their royalties on the recording of "Timbales."

"Birdland" Opens

NEW YORK—Birdland, the Broadway nightclub that shuttered on the day it was scheduled to open a few months ago, opened its doors this past week, with a novel show tagged "The American Jazz Festival." Show presented a panorama of jazz from the early 1920's through the era and into bop and progressive music. Artist lineup contained most of the top exponents of all phases, with 22 soloists, most of them many-time winners of yearly jazz polls and awards.

RCA Offers Free Disks In Christmas Package

NEW YORK — To spotlight the holiday gift appeal of the new 45 rpm self-contained phonograph, RCA Victor is currently offering in all retail stores a complimentary 14-disc Introductory Album with the purchase of each instrument. The special package, which includes classical, semi-classical, popular and country discs, has a ten dollar value, and is designed to acquaint new listeners with the wide variety of music available on the small, distortion-free records.

The 14 discs, in gay colors for each musical category, are packed in a special album box finished in green leatherette, with the names of the various artists embossed in gold on the cover. The gift package contains selections by Sammy Kaye, Perry Como, Glenn Miller, Wayne King, The Three Suns, Tommy Dorsey, Tex Beneke, Tony Martin, Al Goodman, Sons of the Pioneers, Eddy Arnold, Freddy Martin and Vaughn Monroe in the popular, country and Western Categories; and Allan Jones, the Boston Pops, and Arturo Toscanini and the NBC Symphony on the Red Seal label. Chosen from all-time best-seller lists, the records offer a well-rounded introductory musical program to new purchasers of the self-contained 45 rpm units.

The broad selection of titles, running the gamut from the NBC Symphony rendition of the perennial favorite, "Skaters Waltz," to the immortal Glenn Miller "In the Mood" classic, has a wide appeal which should make the Yuletide gift popular with all types and ages of record buyers.

Mr. Joe Orleck
 Suite 5813 Empire State Bldg.
 New York 1, New York

Dear Joe:

Just a line to thank you for the release in the December 10 issue of Cash Box and may I say that it is the finest article and the most truthful statement that has ever been made or written about Music Operators of America. No magazine has ever given us a greater boost than you have in this particular issue and I want you to know that I, personally, sincerely appreciate it.

I am sure that when the officers of MOA read this article, they must have felt as I do at this particular moment and I have just read it one moment ago. They must have felt that this was the greatest moral builder along with Jack Cohen's statements in the same issue that has been released at any time. I am sure that the manufacturers and operators all over the country who read this article will realize how very important it is that each and every one of them attend and that each and every manufacturer do their part to make this convention a success.

I have never had very much doubt about the operators attendance, but I have been concerned from time to time about how far the manufacturers would go along with us. Some of them are overboard for the idea and then there are a few whom I think are trying to retard our progress. You can be assured Joe that nothing is going to stop us not even if we only had one manufacturer represented, we are still going on from year to year and our convention and our organization is going to become bigger and more important. I have always felt that you must crawl before you walk. We are just about through crawling, we will start walking for the next year or two and then everyone will have to run like hell to keep up with us because MOA has been built on a sound, honest basis and everyone associated with it has forgotten the mercenary side and has donated valuable time effort, and money that couldn't be had at any cost.

I am just so hopped up about your article and Jack Cohen's article that I could go on writing you forever, but I will close by wishing you, yours, and Bill Gersh a very happy holiday season. The best of everthing to you. Very kindest, sincere regards.

Sincerely,
George

Williams Presents Two Player Shuffle Bowling Game

Location Tests Show Competitive Play Increased Collections Greatly

CHICAGO — Sam Stern, Vice-President and General Manager of Williams Mfg. Co., this city, surprised the trade this past week with the introduction of the firm's first shuffle game.

In addition to all the well known features of the present shuffle games on the market, the firm have incorporated an entirely new and revolutionary departure by arranging for the game to accommodate the play action of two players at one and the same time.

The game is called, "Twin Shuffle," and lives up to its name from the play action which it incorporates.

In the first place, as two dimes are inserted into this bowling game, it instantly arranges for player to follow player in alternate scoring.

In short, the first player plays the first frame and gets his score on the top score lane, then, as the second player plays his frame, the score swings to the bottom lane, and automatically scores his play action.

This feature clicked with everyone of the Williams' distributors who have seen "Twin Shuffle." All are very enthusiastic over this unusually fine action.

At the same time, the "Twin Shuffle" can also be played by the individual player. As the single player inserts his dime, he will score only on the upper scoring lane, since no other dime followed his in rapid succession.

As Stern stated, "We've incorporated every feature our distributors and their operators have asked for in our new 'Twin Shuffle' and we have, at the same time, given them one of the most unusual machines which has ever been introduced to the market.

"We feel," he continued, "that 'Twin Shuffle' will lead the field for it opens the way to really competitive play."

SAM STERN

Most important statement made by Sam Stern was to the effect, "We have been experimenting with 'Twin Shuffle' for sometime now and have had it in many test locations.

"We found," he said, "that the twin player action of the game increased collections in many instances from 40% to as high as 80% over single player games for it added impetus and incentive to the competitive play action which has made this type game so outstanding.

"Our 'Twin Shuffle' brings the operator," he commented, "the finest type of play action ever yet originated."

Rock-Ola Re-Enters Games Division With Shuffle Bowler Type Game "Shuffle-Lane"

Deliveries To Distributors Now Being Made

DAVID C. ROCKOLA

CHICAGO—David C. Rockola, president of the Rock-Ola Manufacturing Corporation, this city, announced today a new game program is now under way. In addition to shuffleboards and phonographs, they are now manufacturing a line of shuffle-type games.

The first game, "Shuffle-Lane," is being delivered now.

It is said to have many improvements over existing shuffle-bowling games. Some of its many features are: raised playfield to permit true shuffleboard technique; real gutters to simulate bowling alley conditions; a slide-out mechanism drawer to simplify re-

pairs; and a DeLuxe 8 foot model and super DeLuxe 9' 6" model.

J. Raymond Bacon, executive vice-president of the Corporation, stated that the manufacture of a shuffle-game line would in no way interfere with Rock-Ola Standard Shuffleboard production. He added, "Standard Shuffleboard and Magic Glo phonographs are still on a full production schedule."

Art Weinand, vice-president and director of sales explained Rock-Ola's entering into the shuffle-game field as a natural step. He called attention to the fact that Rock-Ola was originally one of the biggest manufacturers of coin operated amusement devices and that Rock-Ola games like "World Series" and "Jigsaw," have become almost legendary. Weinand added, "Since shuffleboard has created a player demand for skill games that incorporate the use of a shuffleboard wate, we feel that Rock-Ola's position in the shuffleboard picture makes it logical and advisable to produce skill games that are played with a wate."

The firm's distributors thruout the nation are reported to be extremely enthused over its announcement of production of this shufflebowler type amusement game. They remember the success they've had with previous amusement games of this factory, and are looking for the same quantity sales of "Shuffle-Lane."

To Celebrate 19th Year In Coin Biz In New Large Building

BIRMINGHAM, ALA.—Max and Harry Hurvich, known affectionately thruout the trade for many years as the "Gold Dust Twins," heads of Birmingham Vending Company, this city, will celebrate their 19th anniversary in the coin machine business on April 1st, 1950.

Preparing for this outstanding event, the firm has just purchased a building at 540 Second Avenue, North. They will begin moving into it around March, so as to be ready by April 1st, at which time they intend to run a formal opening party.

"April 1 will be 19 years since Harry and I started the Birmingham Vending Company with Peanut Machines," states Max. "From that we progressed with various other equipment, including a distributing business representing most of the coin machine manufacturers. In this period of 19 years we have seen many changes in the coin machine industry, and we still believe it is the finest business for an individual to make a living."

"We have endeavored to conduct our business on the highest plane, and we feel that we have established a reputation locally and thruout the country for honest and fair dealings. Now that we will be in our own building, we will be equipped with better facilities to take care of the operators' requirements at all times."

Bally To Conduct School For Servicemen In January & February

CHICAGO, ILL.—Bally Manufacturing Company, this city, announced it has scheduled a series of classes for mechanics and operators on Bally game mechanisms to be held at the factory during January and February, 1950.

Coinmen have been invited to attend the Bally School for Servicemen on the following dates: Monday, January 9—Champion and Kentucky; Tuesday, January 10, Consoles and Hot-Rods; Wednesday, January 11—Shuffle-Bowler . . . Monday, February 13—Champion and Kentucky; Tuesday, February 14—Consoles and Hot-Rods; Wednesday, February 15—Shuffle-Bowler. They may attend all three classes or only classes in which they are interested. Classes on above dates start at 10 A.M.

Bob Breither is supervising these classes, which will be conducted by the firm's field engineers. Mechanical and electrical features of the games will be reviewed with actual games and also diagrams and pictures. Circuits will be explained in detail with special emphasis on trouble-shooting short-cuts.

Please mention THE CASH BOX when answering ads—it proves you're a real coin machine man!

CINCINNATI, O.—The regular Board of Directors meeting of the Automatic Phonograph Owners Association, this city, was held at the Hotel Gibson on December 13.

Attending the meeting were Charley Kanter, Phil Ostand, Frank Michaels, Bill Harris, Al Liberman, Nat Bartfield, Abe Villinsky, Norton Robinson and Robert Wood. Capitol Record's new manager, John F. Maitland, was the group's guest.

Among the items of business handled was the approval of the application of Sicking, Inc., as an Associate member. It was decided to hold a social after each regular monthly meeting, starting in January. Refreshments will be served. Members reported that the association's hit tune for January "Tell Me Lies" was going over very well. Charley Kanter is one of the writers, and the group agreed to give it their full cooperation.

It was also reported that Abe Villinsky, who operates the A & B Music Company, has purchased the route of Simon Rissover.

**N.Y.C. Accepts Bids For
Drink Vendors In Subways**

NEW YORK—The Board of Transportation, this city, set December 29 as the day for receiving bids for the soft drink vending concessions in the city's subways.

In past years concessions have been allowed to operate this equipment on what the board described as an "experimental" basis.

The board said, this week, that bids will be received for the privilege of installing, maintaining and operating automatic drink vending machines in stations of the city's transit system for five years, starting February 1, 1950.

**Stepping Up Production
Of "Pin Boy"**

JOHN CONROE

CHICAGO—Altho quantity shipments are being made, "Pin Boy," shuffle bowling type game manufactured by J. H. Keeney & Company, this city, demand from coinmen throughout the country, has the firm stepping to keep up with orders, according to John Conroe, general manager for the firm.

"Pin Boy" combines the play features of shuffle and bowling in an attractive cabinet 9½ ft. long and 2 ft. wide, with a colorful scoreboard that automatically records strikes, doubles, turkeys, spares, splits, etc. Player slides the puck up the board, aiming at the pin set up, similar to real bowling, and scores are recorded on the backboard in frames.

"The game met with instantaneous success," reports Roy McGinnis, president of the firm, "and we are making every effort to step up our production."

AMI DISTRIBS MEET

JOHN HADDOCK

GRAND RAPIDS, MICH.—AMI distribs from coast to coast were present at the two day meeting here this past week, Friday and Saturday, December 16 and 17, 1949, at the Hotel Pantlind, this city.

A business meeting was called early Friday for all distributors and executives of the firm.

Heading the meet was John W. Haddock, President and General Salesmanager of AMI, Inc.

Other execs present were Joe Cal-dron, assistant salesmanager; Jack Mitnick, eastern regional representative; Ed Ratajack, western regional representative; H. H. Vanderzee, chief engineer; Miss M. B. Cavanaugh, head of the accounting department; and others.

After the business meeting trade press representatives who also attended this two day meet greeted the visitors.

A cocktail party and dinner was then given to all who attended late Friday at the Hotel Pantlind and the discussion among those present was to the effect that, "AMI has given the juke box industry one of the greatest phonographs."

The distribs were much elated with the information given them. Some went so far as to state that they believed 1950 would see a "complete re-birth of the automatic music business from coast to coast."

The reason these distribs feel this way is due to the fact that much greater interest has been shown in the automatic music business these past months than in the many preceding months.

Saturday morning there was a breakfast for all who attended and then a tour of the AMI plant here.

The crowd present was broken up into small parties and executives of the factory escorted the men about the plant explaining the various

methods used by the firm to obtain precision craftsmanship.

This tour met with acclaim of all who attended and many are of the belief that operators of AMI phonos should also be escorted thruout the factory to get some idea of what fine workmanship goes into the manufacture of the phonos.

The meeting broke up about 1:00 P.M. on Saturday with some getting planes and trains back to Chicago and other cities and some remaining over to discuss future plans with the executives of the organization.

Goes All-Out On Rock-Ola's Shuffle Game

DAVE STERN

ELIZABETH, N. J.—Dave Stern, president of Seacoast Distributors, Inc., this city, exclusive distributors for Rock-Ola Manufacturing Corporation in New York and New Jersey, is tremendously enthused over the factory's first amusement game in many years "Shuffle Lane," a shuffle bowler type machine.

"It was a most pleasant surprise to me when Rock-Ola informed me that it was manufacturing this amusement game" beamed Dave, "as all coinmen know what success this factory has had years ago when it was in the games division of the business. 'Shuffle Lane' has all the money-making play features of shuffle bowling, plus several new innovations which are sure to find favor with both players and operators. And there's no reason for even mentioning the construction incorporated into the game by the factory—everyone knows that Rock-Ola's reputation is tops in that phase."

Back Home After Two Month Vacation

AL SCHLESINGER

POUGHKEEPSIE, N.Y.—Al Schlesinger, Square Amusement Company, this city, returned to his offices, after a prolonged ten weeks vacation. Al spent his time leisurely in several far western states, California, Arizona, Nevada and New Mexico.

Altho he vacationed during this period, Al drove thru many cities and towns, and always asked questions of the coin machine fraternity. "Conditions were improving considerably, it was the consensus" reported Schlesinger, "and coinmen were quite optimistic about the coming year's business."

Buckley Presents Two New Consoles For 1950

PAT BUCKLEY

CHICAGO—Pat Buckley, Buckley Manufacturing Co., this city, will present "two nifties for '50" in two new consoles which are well known to the trade, but, which will have unusual, new features to meet modern operating conditions.

These will be the 1950 model "parlay Long Shot" console and the new 1950 model of "Track Odds," featuring the Daily Double and Jack Pot.

In addition to the above two consoles, according to Pat Buckley, the firm will also continue their Criss Cross Belle which has clicked with so many in the trade and which, Buckley believes, will prove an even greater moneymaker during 1950.

According to Jerry Haley, general salesmanager for the firm, "In these two new and entirely better consoles we have what we believe every operator of consoles in the country wants.

"We know," he said, "from actual location tests that the new 'Parlay Long Shot' and the new 'Track Odds, Daily Double, Jack Pot Model' will be among the biggest and best money-makers ever yet introduced in the field."

The firm is already showing the new models and has won much commendation from their distributors as well as from leading operators who have called around to see these new machines.

Haley also said, "There is no need to describe the moneymaking prowess of these consoles. The trade knows what these machines can do on any location anywhere in the nation. The new 1950 models of these great consoles," he continued, "are so outstanding that every operator, jobber and distributor who has seen them has marveled at them. We believe, just as these men do, that these are the greatest machines we have ever yet produced."

... we're calling to wish you ...

LAST MINUTE FLASH ITEMS FROM CHICAGO

Ted Rubenstein is enjoying a Merry Xmas with the way the Daval counter games are going over for Comet Industries, Inc., and more and more coinmen going for them. . . . Joe Batten, Charley Pieri, Frank Mencuri, Ed Hughes, Clare Meyer and all the others at Exhibit Supply, including their well known adman, Oscar Soellner, saying, "Season's Greetings to one and all" it's a merry place to visit. . . . With Harry Williams on the west coast. Sam Stern is doing one grand job at Williams Mfg. Co. and surprises the field with an entirely new product. . . . Jerry Haley and Pat Buckley and other execs over at Buckley Mfg. Co. well under way with some grand surprises for the trade and some even more surprising announcements, too. . . . Walter Tratsch, George Lewis, R. L. Budde, W. A. Patzer, and all the others at A.B.T. Mfg. Corp. also spreading good cheer to all in the field and making this a very merry Merry Xmas. . . . Much cheer and goodwill will be sent forth by Ray Moloney, Earl Moloney, George Jenkins, Herb Jones, Jack Nelson, Tom Callaghan, and the rest of the Bally boys, especially celebrating the successes of "Champion," "Shuffle Bowler," "Hot-Rods," "Spot-Bell" and others.

Thomas F. Anderson, director of sales, Allied Mfg., Inc., Cleveland, dropped into our office to discuss the firm's "Skill Bowl". Tho this game is not as yet coin operated it has been doing a terrific job on locations in many parts of the midwest he reports. Anderson of the belief that if "coin operated" will do even better. . . . B. Bigler in from Japan and talking bells around town. From what we hear seems like the construction work that is going on in the far eastern islands will soon have plenty of the latest bells working for him. . . . "Wanna see my operation?" is latest by George Jenkins of Bally—who only runs a very close second to Capt. Tommy Callaghan of the same firm (whom Ray Moloney dubbed with the title of "Mr. McKiester"). By the way, Tommy turned down a chance to be Sheriff of Cook County, "Would rather work with Ray", he tells us. . . . Busiest cigar smoker over at Bally is Jack Nelson. . . . Frank Roelke back in biz again with his own firm, F. H. Roelke Co., 2165 Lincoln Ave. . . . Sam Gensburg of Chicoin absolutely thrilled at the way those orders are coming in for the firm's bowling game and, as Sam stated some months ago, "Ten cent play is the answer". . . . Sam Stern of Williams Mfg. Co. isn't satisfied with one color ads to tell the story of the firm's new shuffle game, "Twin Shuffle". . . . he's using two colors—and from location reports—the game deserves about 30 colors each issue. . . . Al Stern dashing madly out of Williams' plant to tell his ops about this firm's latest. . . . Plenty out-of-town guys in Our Town this past week, even tho Xmas just a few hours away. . . . That was a very handsomely engraved card we received advising us that Harry Rosenthal's son, former Capt. Herbert Ralph Rosenthal, had just been married to Louisa Jane Saul, and we do wish them every bit of happiness.

THRU THE COIN CHUTE

EASTERN FLASHES

The holiday season is approaching rapidly, and ops are rushing to make sure their locations are all set to take a maximum revenue from the revelers. Most locations this year, in addition to juke boxes, will be featuring someone's "shuffle bowler" type amusement game. With collections steadily improving, coinmen are hopeful of a fine holiday business. . . . And we at *The Cash Box* take this opportunity to wish all in the trade a most enjoyable Christmas, and real continuous prosperity thruout the coming year.

Operator demand for the "shuffle bowler" type games is keeping all regional representatives, and the wholesalers clammering for more and more deliveries. Games from all the factories are on the "hit" list, and we understand a few more manufacturers will be entering the field in the very near future. It is quite evident that the public has entered into the spirit with a keen desire to apply its skill, and the definite amusement qualities of the games have been realized by the officials in a great many territories which have been closed to games for a number of years. However, of great importance to all, is the fact that these games are running on a 10c coin slot—with the definite approval of the public. Those operators who for many years have condemned any effort to operate on a 10c play, are now the first to shout their approval. As a matter of fact, these same people are the ones now most vociferous in belaboring the manufacturers for not producing 10c play equipment in the past years.

Operators have a wide choice now in the shuffle bowling game field. United's "Shuffle-Alley" keeps Jack Semel hopping to take care of the great demand. . . . Barney (Shugy) Sugerman and Abe Green, Runyon Sales Co., leave for the AMI confab in Chicago, but Morris Rood selling Bally's "Shuffle-Bowler" as rapidly as they arrive. . . . Dave Lowy, Dave Lowy & Co., reports Keeney's "Pin-Boy" a hit. Altho badgered by ops to allow them to take out his sample from the floor, Dave refuses to let it go, insisting that visiting coinmen get the opportunity to give it a "look-see." "When they see what the game can do, I am able to book more and better orders" states Lowy. . . . Dave Stern, Seacoast Distributors, Inc., more excited and enthusiastic than in years when he gets his first glimpse of Rock-Ola's "Shuffle-Lane." Dave reports that "evidently word-of-mouth news got around in our territory, and jobbers and operators have been in touch with us for immediate deliveries." . . . Al Simon, Albert Simon, Inc., Chicago Coin's eastern representative, philosophically accepting operator pressure for more and more "Bowlers" relaxes a moment in his shop, setting up a tremendous miniature electric railroad for his boy's Christmas present. . . . Meyer Parkoff, Atlantic N.Y. Corp., gets his first shipment of Williams' "Twin Shuffle," the two player game, and reports "In all due modesty, it looks like I have a winner."

Al Schlesinger, popular head of Square Amusement Company, Poughkeepsie, N.Y., returns home after a two month vacation in the far west. . . . Paul Du Chayla, Paris, France, visits the office seeking sources of equipment he might be able to import. . . . Joe Young, Young Distributors, (Wurlitzer distribs) should be taking it easy at this stage of the game, but he's busy, busy, making preparations for a great event. . . . Harry and Hymie Koepfel, Koepfel Distributing Co., busier than ever, if that's possible—but we had to thread our way thru a load of crated music machines lined up on the sidewalk awaiting shipment. . . . Hymie Rosenberg, now residing in Miami, Fla., celebrated a birthday this past Thursday, December 15. . . . Mike Munves tied up in a knot with details on the building preparations going on at his new 10th Avenue location.

MIAMI MURMURS

Bush Distributing Company receives samples of that new animated speaker and Ted Bush reports terrific results from all test locations. Ozzie Truppmann moans he's having a time fighting off the "snowbirds" who are flocking into town looking for jobs in the city of sunshine. . . . Dan House from Naples, Fla., in town and doing things in a big way. . . . R. L. Budde, sales manager of A.B.T. Manufacturing Corp., Chicago, in town combining business with pleasure, and we understand he enjoyed both. . . . Lou Koren, one of the industry's most popular coinmen, dolling up his King Cole Hotel, in anticipation of playing host to many of his northern friends who spend their vacations at his hostelry. . . . Willie Blatt (Little Napoleon), Supreme Distributors, received his first shipment of Keeney's "Pin-Boy," and after a few days of test on location, states "This will be the most outstanding machine of its type in the field."

Willie Levey, who really has "sand in his shoes" rushes back here after spending a few weeks in New York City looking over his operation. Willie is now relaxing and participating in the continuous "Gin" and "Canasta" tournaments held in these parts. . . . Reports are that Shuffleboards are doing much better than was originally anticipated. . . . *Special Note To Herb Jones, v.p. of Bally Manufacturing Company:* Willie (Little Napoleon) Blatt tells us he was very happy to receive that nice letter from you, and is hoping you'll soon be invading this southland paradise for a spot or relaxation. . . . Joe Mangone, Miami Shuffleboard Sales Company, back from a very successful trip on the new Gottlieb five-ball "K.C. Jones." Joe and his missus and the Benny Martins (owners of the Bancroft Cocktail Lounge) taking a week off to motor up to Philadelphia, where they'll spend Christmas with their families. . . . Taran Distributing Company report excellent results from its radio advertising over Station WINZ as well as the Barry Gray Show nightly. This firm is sponsoring a Shuffleboard Tournament to start around the holidays and which will run for 7 weeks. A total of \$7,000 in prizes will be given away, with first place garnering \$2500. Great deal of publicity is being given the tourney. Idea is credited to Ely Ross, Taran's "Man Friday."

THRU THE COIN CHUTE

CHICAGO CHATTER

Christmastime is here. The factories are celebrating. There will be employees' parties as well as those private little affairs in the boss' offices. Many coinmen from all about the country will be dropping in for a toddy and a chat, and some will be seen leaving a bit on the leeward side. Many will leave for warmer climes to spend the holiday in Florida's brilliant sunshine, or the warmth of the California desert. All in all, it's one grand week in Our Town with everyone of good cheer. Frankly, we've never heard or seen so many Xmas parties planned before. Seems like everyone wants to celebrate this Christmastime to the very fullest extent.

The way gifts have been floating about the factories . . . the loads of bundles and packages that are being taken home night after night . . . the hearty and cheery greetings that are expressed daily . . . the heartwarming regards. Everyone is plunging in to make this the grandest, bestest Christmas of all time. It's the one time of the year worth waiting for. It's the one time of the year when coinmen from all about the land can walk into any factory, any distributor's or jobber's headquarters, into any op's place of business, and get a great, big, grand, satisfying, hearty, happy greeting. This is Christmastime in the coin machine industry.

So, before we go any further, here's wishing you and you and you, in fact, all of you, everywhere, the merriest of Merry Christmases. May you enjoy this Christmas in happy, healthy, hearty and pleasant fashion. May everyone of your heart's desires come true. May this be the day when all you've every wanted for you and yours will be right there waiting for you under your Christmas tree bright and early Christmas morning.

And even tho the holiday season has everyone's attention the men are still working away and many a surprise will be forthcoming—just like an Xmas present to greet coinmen all about the country . . . Bumped into Larry Cooper who advised that he was on his way to visit in upper New York state and that there "might be some surprises" when he returns . . . so here's an Xmas surprise package from Larry which may please many a coinman . . . We hear that Red Zogg is back operating again and this time is talking about "cheese and crackers"—has been up to the cheese country in Wisconsin and came back with a big smile . . . Frank Roelke, too, who has been around Our Town for sometime working on shuffleboards and scoreboards, is also getting ready for an Xmas surprise we hear . . . Very happy wedding news that broke a week ago was that Don Moloney, son of Ray Moloney, would be soon taking that happy walk down the aisle—Merry Christmas, Don.

George Dick, all smiles, and waving a hearty greeting as he hurries down Randolph Street . . . H. F. (Denny) Dennison who spent a few weeks in Our Town seems to have fallen right into that Christmas spirit and is getting ready to tell operators, jobbers and distributors in eleven western states all about the Xmas gift he has for them . . . Among the busiest of the busy this Xmas are Lyn Durant, Billy DeSelm, Ray Riehl, Herb Oettinger and one and all at United Mfg. Co. where "Shuffle Alley" is coming off the line at top speed and still backordered . . . Rumors here regarding a pistol being rushed to market by Max D. Levine of Scientific Machine Corp., Brooklyn, N. Y. . . . Gil Kitt of Empire Coin making his offices at United practically all day long, and getting his phone calls there . . . Vince Shay, Midge Ryan, Jim Longacre, Grant Shay and all the gang over at Bell-O-Matic very, very happy this Christmastime at the way they've made many an op happy with their "All Chrome '21' Bell," a custom built job.

Keeney presents its new bowling game, "Pin Boy," to the trade just in time for Xmas greetings to all ops everywhere . . . Jackie Rosenfeld in from St. Louis to visit with a doctor here regarding his sinus attacks—and, at the same time, advising that he is busier than ever with the shuffle games . . . John Neise a very busy boy covering ads and sales and one and a dozen more things these days . . . Sam Lewis over at Chicago Coin advises, "The orders we're getting for our 'Bowler' are simply amazing," and Sam working harder than ever to help get these rebounds out to the trade with Ed Levin and all the men at Chicoin working at top speed as Xmas comes into being . . . Mike Hammergren, now residing in Chi, also a busy man these days. Having returned from the NAMA show, Mike dashed right into plans to present a new product which is bound to get attention from the trade . . . Coinman's wife phones to get copy where her name was mentioned and requests, "Please send each week's issue of *The Cash Box* to our home, I like to read it, too." (If you want your copy to go to your home, instead of your office, just drop us a line.)

There's a new electric dice game being completed in town—in fact, it's on test location right now. And the people back of it have many great hopes for its success. . . . Big announcement this past week was return to games field of Rock-Ola Mfg. Corp. The firm that made history with "Jigsaw" and "World Series" is now opening in the games field with a shuffle game called, "Shuffle-Lane," and reported to be one of the outstanding on the market. The game will come in 8' and 9' 6" sizes . . . so here's a Christmas gift from David C. Rockola for all coinmen. . . . In one of those chats over a toddy or two, some of the coinmen in town commended *The Cash Box* for its championing of 10c play action for amusement games. Said one, "The trade should take time out to compliment your magazine (*The Cash Box*) for its fine work in proving that the ops must get 10c per play, as well as for your many other marvelous suggestions regarding phono commission basis and other things."

CALIFORNIA CLIPPINGS

The folks at Solotone got an early start on the Christmas loot by copping two of the three door prizes at Leuenhagen's Record Party last week . . . If you've got any spare time pieces around the place, we suggest you don't try hustling 'em off to Cecil Wilson or his sister, Hazel Gustafson, since both of them won a fancy clock at the musical clambake . . . The third clock went to Mrs. F. W. Penhall, whose husband is a new operator out Santa Monica way with a sense of humor and plenty of what it takes in this business or any other. He told us he's never had so much fun as he's having as an operator and, what's more, "A guy can almost make a living at it," he says . . . Other operators, who didn't win any prizes but had a lot of fun taking in the fine entertainment (see Wax Circle up front) included Robert Pruitt, Orville Kindig, Ralph Norton, Forrest Wilson, William Wuchniak, Eileen Bloomer, Jack Goodman, James Reagan, Mario Friarte, Frank Gill, W. R. Hunt, Mel Eades, H. A. Butchart and Ralph Cragan.

Phil Robinson back from Chicago with word that Chicago Coin plant is now geared to step up production on "Bowler" to take care of the big demand out here . . . Jack Simon told us at Sicking Distribs that he has a stack of orders on tap and Fred Gaunt at General Music indicated that, despite the firm's great love and loyalty for United's "Shuffle Alley," there was enough interest in Phil's product to warrant a nice, fat order . . . Simon also anxiously awaiting Genco's new entry in the shuffle game derby "Bowling League," and, according to advance reports from Art Crane and even unprejudiced sources, it's a live one . . . C. A. Robinson back from his long stay in Vegas and in for a friendly visit with Bud Parr and Fred Gaunt, chatting about business in Nevada and elsewhere.

Got the rib from Bob Bard and Nels Nelson at Bard Distributing, upon finding the pair in debris (French for schmutz) up to their appetites . . . Seems it's taking a lot longer to get the old cleaned out and the new in than we'd figured and that grand opening announcement of ours is at least several weeks premature . . . Al Silberman passing out some hot Java from a Mills Vendor at Badger Sales to several prospective buyers and almost offered us a cup by mistake . . . Johnny Hawley doing fine at his new stand on the Row and reports that he sold a whopping big route last week, in addition to maintaining a steady flow of new and used music and game sales . . . Nice kibitz session with Dannie Jackson at Automatic Games while comparing cough prescriptions . . . Visiting firemen for week included Joan Griffin of Beverly Hills (hmm, and who is she if she it is) . . . Paul Milburn of Hollywood . . . Bernie Mills from Bell . . . San Berdoo's Tommy Felkins and W. H. Shorey . . . L. G. Leonard of Santa Monica.

MINNEAPOLIS-ST. PAUL, MINN.

Dick Unger, very popular St. Paul operator for many years in the coin machine business, passed away last week after a supposedly successful kidney operation. Mrs. Unger has already made up her mind to take complete charge of the route, and to continue to operate. Distributors and operator friends, who mourn the death of Dick Unger, wish Mrs. Unger the best of success . . . Herman Paster of Paster Distributing Company, St. Paul, Minnesota, in Chicago several days, visiting the United Manufacturing Company and the Bally Manufacturing Company plants . . . Andy Benna of Ironwood, Michigan, spending the week-end in Minneapolis, and making the rounds . . . Lyle Kesting of Bellingham, Minnesota, in Minneapolis for the day picking up records and miscellaneous supplies.

Frank Davidson of Spooner, Wisconsin, also in Minneapolis for the day . . . Leo Berkowitz of the B & B Novelty Company, Superior, Wisconsin, in Minneapolis, with the family, Leo making the rounds, while Mrs. Berkowitz was making the downtown department stores, and getting in her Christmas shopping . . . E. E. McDaniel of Wadena, Minnesota also in town for the day . . . Jim Donatell of Spooner, Wisconsin, accompanied by his wife, in Minneapolis over the week-end . . . Harold Peterson of Bethel, Minnesota, has lost about seventy-five pounds and looks in pretty good shape. Had to shed this fat, as he suffered a heart attack a few months ago . . . Lou Collins of Cherokee, Iowa, at Rochester, Minnesota, going through the clinic for a check-up.

Jeff Kost and Jerry Hardwig of St. Cloud, Minnesota, in town for the day . . . Ted Heil, of Gaylord, Minnesota, also in Minneapolis for the day . . . Concord Novelty Co. of South St. Paul, Minnesota, suffered a loss of two-thousand dollars as some thieves who broke into their place of business, knocked the tumblers off the safe, and took off with the money . . . Archie LaBeau, LaBeau Novelty Sales Co., St. Paul, doing a big job with Rock-Ola's "Shuffle-Lane" . . . R. L. Cross of Jackson, Minnesota, in Minneapolis for a few days, making the rounds . . . Mr. and Mrs. Jack Harrison, also in Minneapolis for the day, picking up records . . . Charlie Potter of the Fairmount Novelty Co., recently married and also recently operated on at the Mayo Clinic at Rochester, Minnesota, back home again, and feeling fine.

Iowa operators took it on the chin last week, as the Attorney General ordered all gambling devices and pin games down. Operators throughout the entire state suffered a severe blow as slot machines; and one balls were ordered out, and in some towns throughout the country, even five balls were ordered out. Newspapers throughout the entire state playing up very, big and following the pattern, such as took place in the state of Minnesota.

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists", rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week: Second price listed is highest price. Where only one price appears this should be considered lowest price.
